
ART GALLERY HAPPY HOUR RECAP

On Wednesday, July 30th, Blue Summit Financial Group hosted a Happy Hour event at the Morrison Hotel Art Gallery in La Jolla.

The event was a success!! Over 40 clients and friends showed up and the venue was well-received by all. We enjoyed drinks, hors d'oeuvres, art, and mingling.

The purpose of this Happy Hour was to introduce people to this great locally-owned Rock and Roll Photographic Art Gallery, to allow a time for our clients to network with other socially responsible investors, and to provide a brief market update that was informative in the midst of this bear market.

Our next two events will be a more in-depth stock market and real estate analysis, and a September 5th attendance at Mo'olelo Theater Company's Opening Night of Night Sky at the La Jolla Playhouse.

Remember that you can refer a friend and receive 2 tickets to join us at this great show.
