TIME: THURSDAY, AUGUST 19TH AT 7:30 - 9:00 AM

The financial crisis has impacted economies worldwide. In many areas, the downturn has created a substantial drop in property valuations.

~Come learn how you can benefit from the global downturn in real estate prices.~

You are cordially invited to attend an exclusive breakfast presentation with guest speaker Shea Gordon of Hines Real Estate Investments. Hines is a privately-owned international real estate firm with over 50 years track record, and offices in over 100 cities around the globe.

**Prospectus available upon request and at the event.*

Of the \$16 trillion investable real estate universe, approximately \$5.2 trillion is located in the U.S.
