Thinkshop at USD: Investing in Sustainability

Learn how aligning your investments with your values can reduce environmental, social, and governance risks in your portfolio while capitalizing on progressive growth opportunities like alternative energy, green building, and healthy living.

Integrating this investment option into your company 401k can enhance the workplace culture, increase retention, and help attract talent in line with the company vision.

Blue Summit Financial Group is a San Diego-based financial planning firm, specializing in Socially Responsible Investments (SRI) since 1994.
